**Subject - Sanction of certain additional items of expenditure
in the Municipal High School, Holenarasipur**

In submitting herewith a copy of letter No Bl. 893-55/44-45 dated 2-10-1945 received from the Deputy Director of Public Instruction, Mysore, on the above subject together with the proposition statements, the resolutions of the Managing Committee of the School and the local Municipal Council on all the items involved and the letter of the Head-master of the school explaining clearly the need for incurring additional expenditure with effect from the dates specified, all in original, I have the honour to state that the matter should have been sent up for sanction much earlier by the Management as some of the additional items of expenditure are being incurred from 1943 without obtaining the previous sanction of Government as required by the rules. The reasons for the delay have not been furnished either by the Management or the Deputy Director. Further correspondence with them in the matter will involve further delay.

As explained in the letter of the Headmaster and supported by the Deputy Director, there was real need for the additional or altered expenditure proposed, which is detailed below -

- 1 Conversion of the scale of pay of the 3 additional posts of graduate teachers from Rs 40/- fixed into graded one of Rs.40-4-60 with effect from 1-7-1945

- 2 Revising the scale of pay of the Urdu Munshi from Rs 25/- per mensem fixed to the grade of Rs 30-3-45 from 1-7-1944
- 3 Revising the pay of the clerk from Rs 20/- fixed to Rs 25/- per mensem fixed from 1-7-1945
- 4 Enhancement of the contingency from Rs.10/- to Rs.15/- per mensem from 1-7-1944
- 5 Creation of an additional Kannada Pandit's post on Rs 30/- per mensem fixed from 1-7-1944
6. Creation of an additional peon's post on Rs.10/- per mensem from 1-9-1944
7. Payment of physical culture allowance to two teachers of the school at Rs 5/- per mensem each for 9 months in the year, with effect from the year 1944-45

Of the above, the first three items were approved by this office in December 1943 when proposals were sent up in connection with the opening of two additional sections in the school during 1943-44

I recommend that sanction of Government may be kindly accorded to all the above items of expenditure with effect from the dates specified, the extra cost involved being met entirely from the funds of the school as allotted by the local Municipality until the next general revision of grants to Municipal High Schools, when the grant to this School will be revised as per the existing rules, taking into account the actual expenditure of the School including these items

I have the honour to submit herewith the undermentioned re-

- 1 Proposition statement in duplicate showing the present
and proposed expenditure of the school
2. A copy of the time-table of the school for the year
1944-45
- 3 The statement showing the No. of sections in each class
and the strength of each section
- 4 A statement showing the total No. of periods of work
per week allotted to each teacher
- 5 Copies of resolutions of the Managing Committee of the
school passed on the subject together with the resolu-
tions of the Town Municipal Council, Holenarasipur,
to pay the extra cost involved therein
- 6 A copy of the letter of the Headmaster of the school
addressed to the Secretary explaining the need for the
above additional expenditure

It is reported that all the additional expenditure referred
to above has been included in the Municipal Budget for the

the year 1944-45 and onwards and the extra cost in connection with the appointment of an additional peon on Rs 10/- p m from 1-7-1943, has, it is reported, been included in the Municipal Budgets for 1943-44 and onwards

As there are 6 sections in all, in the school, with two sections in each of the classes, there is need for the above extra cost

From the copy of the time table, it is seen that the teachers have sufficient periods of work per week. The scale of pay of the three graduate teachers fixed at Rs 40/- may be converted into graded appointments on Rs 40-4-60 from 1-7-1945 for the reasons explained by the Secretary

The entire extra expenditure as shown above may be sanctioned with effect from the dates, noted against each with definite instructions that the Town Municipal Council, Holenarasipur, has to bear the extra cost till the next revision of grants to Municipal High Schools

To
The Secretary,
High School Committee,
Holenarasipur

Sir,

As per instructions from the office of the Deputy Director of Public Instruction, Mysore, in No B1 895-55/44-45 dated 2nd Jan 1943, in regard to the proposition statement submitted through your Office for obtaining kind sanction to the additional establishment etc., to this school during the current year, I have to submit the file of the papers with freshly prepared proposition statements showing correct up-to-date sanctioned scales of establishment to the school with the authority and the proposed scales etc.

The allowance for Physical Culture work for only nine months in the year has been shown in the enclosed proposition statement as per instruction.

The necessity for certain changes in the present scale and in the ~~present~~ proposition statement is explained below for obtaining kind sanction to each of the items from the authorities therein.

- Three
1. Grant of additional posts on a fixed pay of 40/- each into the posts of Rs. 40-4-60 from 1st July 1943

Due to the opening of the three additional sections in the school from Jan 1943, the necessity for the appointment of three additional teachers arose and as an experimental measure sanction was sought for the three additional posts on fixed pay of Rs. 40/- each. As the strength of the school increased further, during this year, the additional posts were continued. Some of the teachers who were appointed during 1943 resigned their jobs in March 1944, because of the fixed pay of their posts and the consequent stagnation. Great difficulty was experienced during the current year to provide teachers for the posts and even those that took up or were laid on the job but for a job of higher pay and some of them actually left the school in the middle of the current year dislocating the work of the school. One teacher who has stuck on to his work for the past 2 years has had no increment,

the year 1944-45 and onwards and the extra cost in connection with the appointment of an additional peon on Rs 10/- p.m. from 1-7-1943, has, it is reported, been included in the Municipal Budgets for 1943-44 and onwards

As there are 6 sections in all, in the school, with two sections in each of the classes, there is need for the above extra cost

From the copy of the time table, it is seen that the teachers have sufficient periods of work per week. The scale of pay of the three graduate teachers fixed at Rs 40/- may be converted into graded appointments on Rs 40-4-60 from 1-7-1945 for the reasons explained by the Secretary

The entire extra expenditure as shown above may be sanctioned with effect from the dates, noted against each with definite instructions that the Town Municipal Council, Holenarasipur, has to bear the extra cost till the next revision of grants to Municipal High Schools

no increment and is still drawing only Rs 40/- As the school is found to have sufficient strength for 6 sections from what has been observed for the past 3 years, change of 3 additional posts on a fixed pay of Rs 40/- each into graded scales of Rs 40-4-60 is desired to improve the prospects of the teachers working in the posts and to make them stick on their job

Sanction may kindly be obtained to these graded scale posts from 1st July 1945.

Additional Kannada Pandit on Rs 30/- from 1st June 1944

Till the beginning of the current school year only one Pandit was given to this school for both Kannada and Sanskrit work and having 24 periods of work even when the school was working with 3 sections only. As the number of sections increased last year, Kannada and Sanskrit work of the different classes was pushed through with great difficulty by combining the sections of some classes. As the strength of each section has increased considerably this year, and as the total number of periods for Kannada and Sanskrit work up to 40 even after combining some sections, urgent need arose for the appointment of an additional Kannada Pandit. In pursuance of the resolution of the Board in Committee a Pandit was appointed on a pay of Rs 30/- during June 1944.

Sanction may kindly be obtained to this post with effect from 1st June 1944.

3 Change of the Pay of the Urdu Munshi's post from fixed Rs 25/- to the range of Rs 30-3-4 from 1st July 1944.

The Urdu work of the school was being pushed through with the help of a part time teacher till August 1943, when the appointment of a qualified full time Urdu Munshi was felt a necessity, to give efficient training in Urdu and Persian subjects. The post was sanctioned on a fixed pay of Rs 25/- as a temporary measure during 1943-44. As the Urdu & Persian work of the school has increased to 24 periods this year and as the sanctioned scales of Koulvis

6. ~~Intermittent~~ Enhancement of Contingency

to Rs 15/- per month with effect from 1-7-44.

The monthly contingency of Rs 10/- has to be utilised to meet (1) the demands of the Science section (2) the requirements of the Office and the maintenance of the typewriters for the Optional classes

1. Owing to increase in number of sections from 3 to 6 since May '43 demonstrations of experiments in different classes have increased two-fold. Further the number of students for optional Science group has increased from a total of 50 in second and third year classes in previous years to a total of nearly 115 this year. The strength for the same section is expected to increase further during next year. Besides, the increase in strength and the use of apparatuses, the cost of chemicals and apparatus has gone up very high, & in consequence it has not been possible to conduct science lessons as interestingly as they are expected to be done.

2. The cost of articles of stationery, the maintaining charges of the typewriters and the printing of receipt books, etc., have more than doubled themselves, with the result that the growing needs of the school cannot be at all be satisfactorily met out of the present contingent grant.

In view of these facts and in the interest of the efficient work it is necessary to change the contingent grant from Rs 10/- to Rs 15/- per month with effect from 1-7-1944.

7. Physical Culture Allowance for 2 teachers at Rs 5/- each for 9 months in the year, from the year 1944-45.

The school has a strength of about 300 pupils and it is not possible for one teacher to efficiently conduct Drill classes to such a large number of students. To minimize loss of time in arranging pupils for

Drill, in marking their attendance etc., and to give them better training in small groups, ^{as} to fit them for less Drill two masters were appointed to conduct drill classes on a monthly allowance of Rs 5/- each. As the school promises to have an equally large strength in the coming years also sanction may kindly be obtained for the appointment of two drill instructors on an allowance of Rs 5/- for nine months in the year with effect from 1st June every year.
